SYEDA FARHEEN ZEHRRA

WEB DEVELOPER

As a budding Web Developer, I am proficient in building responsive and interactive websites using modern technologies like HTML, CSS, JavaScript, and frameworks such as React.js and Next.js. My focus is on creating user-friendly and dynamic web applications that meet client needs while adhering to best practices in web development.

GRAPHIC DESIGNER

As a passionate Graphic Designer, I have experience in creating visually compelling designs that communicate effectively with the target audience. My skills include working with Adobe Creative Suite, particularly Photoshop and Illustrator, to craft logos, branding materials, and marketing assets that resonate with the intended audience.
